Designer Notes:

As you know, The Destiny is one of our top-selling homes. We've scaled down this really popular design to suit smaller blocks in The Destiny 203, which works brilliantly to create a practical and functional home for your family's needs.

Our Master Bedroom boasts the walk-in-robe that everyone wants, and a double shower in the ensuite.

Featuring 4 good sized bedrooms, separate laundry & Media room. Recharge all your devices behind closed doors in the computer nook. The family chef doesn't miss out either, with our modern kitchen layout and large walk-in-pantry. This outstanding home might just be your destiny.
