

Perspective & Floor Plan are artists impressions only

'The Oakwood'

Home Features

Living	188.20m ²
Porch	2.70m ²
Total Floor Area	- 190.90m²

Designer Notes:

Compact, but clever, this 4-Bedroom home has a Computer Nook/Home Office area, with 2 separate Living areas. The design allows for great personal spaces with no wastage – perfect for small families or couples who don't want to be paying for areas they won't use.
