

Perspective & Floor Plan are artists impressions only

'The Botany'

Designer Notes:

Combining latest trends with great design has resulted in this stunning 5-Bedroom home. A separate Home Office and Theatre Room are bonuses, but the feature is the open-plan Living/ Meals/Kitchen and huge Outdoor area. A large Master Suite with luxurious double vanity Ensuite complete the perfect layout here and the wide frontage ensures plenty of street appeal.

Home Features	
Living	234.80m ²
Portico	5.80m ²
Total Floor Area	- 240.60m²
