

Perspective & Floor Plan are artists impressions only

'The Highlander IV'

Home Features

Living	238.40m ²
Portico	5.20m ²
Patio	6.10m ²
Total Floor Area	- 249.70m²

Designer Notes:

This major award-winning design has captured the essence of liveable space. It's perfect for young families as the Parents Suite is close by other bedrooms, with an extra bedroom at the front convenient as a home office. The attractive facade gives very luxurious external appeal and the huge Family, Living, Kitchen and Laundry will delight you.
