

Perspective & Floor Plan are artists impressions only

'The Trinity'

Home Features

Living	218.80m ²
Outdoor	22.40m ²
Portico	10.40m ²
Total Floor Area	- 251.60m²

Designer Notes:

Featuring a huge Kitchen/Living area, this home exudes luxury living 'family-style'. The Master Bedroom has a huge walk-in Robe and the Home Theatre is separate from the children's 'wing' allowing it to be a more 'grown-up' area at the front of the home. Good storage in the Garage and a huge Kitchen are a bonus to this lovely design.
