'The Banksdale'

Home Features

Living	209.70m ²
Verandah	26.40m ²
Total Floor Area	236.10m²

Designer Notes:

With a lovely front Verandah, the style of this home has a very popular street appeal. It is a compact 4-Bedroom home featuring two Living areas, and its lack of hallway means you aren't paying for 'wasted' space. What a bonus that is!! More money left over for decorating and perfect for a smaller family or couple.
