Perspective & Floor Plan are artists impressions only

'The Destiny III'

Home Features	
Living Area	228.7m²
Outdoor Area	17.2m²
Portico Area	9.1m²
Total Floor Area	**255.0m²**

Designer Notes:

When you are looking for a smaller home and aren't wanting to lose any of the modern features you've seen in the Destiny, this 4 Bedroom home will delight you! We understand you still want some luxuries and big living areas but you just don't need so many rooms. From the spacious front Portico and Entry you will enjoy the magnificent Master Bedroom Suite, storage areas, luxurious Living and Kitchen area, and the gorgeous picture windows. It's smaller without losing any of the glamour, the 'flow' or the design.
