

Perspective & Floor Plan are artists impressions only

'The Westview'

Home Features

Living	211.70m ²
Outdoor area	15.00m ²
Portico	3.30m ²
Total Floor Area	- 230.00m²

Designer Notes:

Even though there is a subtle hint of luxury in the Master Suite, you can see the focus in this design is on family. Living and Outdoor areas are huge and the Kitchen is a major feature of the home. With its 3 Gables in the roof, this home is impressive both inside and out.
